Dental Appointment Agreement

The dental centers of the Upper Allegheny Health System are dedicated to quality dental care for every one of our patients. Because of this, we have instituted a policy regarding missed/cancelled appointments.

We respectfully request at least a 24-hour notice when cancelling an appointment. A reminder call is placed within 48 hours of each appointment; we expect all appointments (not appropriately cancelled) to be attended at the scheduled time. We allow 10 minutes for lateness before we consider the appointment a “no-show.”

We believe that by keeping missed appointments to a minimum, we can keep treatment plans flowing and achieve the quality goal we aim toward for everyone.

Any patient who has three “no-show” appointments within a 12-month rolling calendar will be discharged from our practice.
