

# 2019 CAMPUS Connections

## Participant Application

Thanks for your interest in CAMPUS Connections!

CAMPUS Connections is a **free**, week-long program supported by Lawrence Technological University and the State of Michigan’s King Chavez Parks (KCP) Initiative. CAMPUS Connections begins at 11am on August 16th and ends at 2:30pm on August 23rd, just before First Year Ignite.

To participate, you must be a new LTU student (as of fall 2019) who has placed into Intermediate Algebra/Geometry (MCS 0054) or Geometry in Art (MCS 1254), depending on your major.

Participants who complete certain criteria in the fall 2019 semester are also eligible for a **\$500 scholarship** for spring 2020. Please visit <https://www.ltu.edu/scholars/> for more details.

If you are even *remotely* interested in participating in CAMPUS Connections, please complete this form.

Please email [scholars@ltu.edu](mailto:scholars@ltu.edu) or call (248) 204-4120 if you have any questions or concerns.

## **CAMPUS Connections Participation**

CAMPUS Connections participants living on campus in the fall (and hopefully commuters too!) will move into campus housing between 9am and 11am on Friday, August 16th. CAMPUS Connections will begin at 11am on Friday, August 16th and run through 2:30pm on Friday, August 23rd. This is one week before the rest of the LTU student population gets to move in, which is every on-campus resident's dream! And don't worry about getting everything in your room set up right away; we'll let you out a little earlier on the first day to finish unpacking, and we'll have interns to help!

Can you participate in the full CAMPUS Connections program?  Yes  No

*The first day will start at 11am (move-in at 9am) and end at 7pm. The second through the seventh day will begin at 9am and end at 9pm, with the exception of our bonfire night, which is TBD due to weather. The last day will begin at 9am and end at 2:30pm.*

If you answered no to the previous question, please select the days you CAN attend.

- Friday, 8/16       Saturday, 8/17       Sunday, 8/18       Monday, 8/19  
 Tuesday, 8/20       Wednesday, 8/21       Thursday, 8/22       Friday, 8/23

If you did NOT select one or more of the dates above, please explain why.

*We prefer that students are able to participate for the whole week, but some exceptions may be made.*

## **Pre-course Selection**

CAMPUS Connections includes 2 academic workshops. All participants will be automatically enrolled in an afternoon math workshop (8/18-8/22), which is designed to prepare participants to re-take the math placement test and hopefully test into Precalculus. This workshop will include only CAMPUS Connections participants. The second workshop will be a morning Pre-course workshop (8/21-8/23) that is run by the Academic Achievement Center staff and tutors. This workshop will include students outside of CAMPUS Connections, but participants can choose this workshop below.

Please rank the following Pre-courses from first choice (1) to third choice (3):

Writing \_\_\_\_\_ Chemistry \_\_\_\_\_ Intro to C \_\_\_\_\_

## **A few more questions...**

Are you living on campus this fall?  Yes  No  Maybe

What is your unisex t-shirt size?  XS  S  M  L  XL  2XL  3XL

Do you have any dietary restrictions? \_\_\_\_\_

What do you hope to get out of CAMPUS Connections?
