

Job Title: Field Assistant

Status: Permanent, Full-time

Location: Nanaimo Office

Company

Bennett Land Surveying Ltd. is a mid-sized legal, engineering and topographic survey firm of B.C. Land Surveyors. Together with our predecessor firm, we have been active in British Columbia for over 40 years. Our projects range from surveys of individual lots for home owners to some of the most complex residential and industrial/commercial projects. We are currently seeking a **Field Assistant** for our **Nanaimo** office

Qualifications and Job Requirements

- Previous experience or completed Geomatics Diploma an asset
- Experience using land surveying equipment including GPS an asset
- Previous experience working outdoors/in related disciplines an asset
- Flexible with working out of town when required
- Self-starter & team player with all field and office staff
- Valid BC Driver's License, Class 5 with clean driving record
- Effective time management and communication skills, able to take direction
- Physically able to work on construction/residential sites in all types of weather conditions

Job Description of Responsibilities

- Assisting a Crew Chief with various types of surveys including legal, construction layout, monitoring, and topographic surveys while achieving projected timelines
- Arrive on time and ready for the tasks assigned to you by your Crew Chief
- Adhere to all safety guidelines provided to you by Bennett and stay up to date with required safety training asked of you (i.e., First aid)
- Keeping your crew truck, survey supplies, and equipment organized and stored safely
- Be a positive representative of the company to your co-workers, the public, and clients
- Other duties may be required

Benefits

Bennett Land Surveying offers excellent training, medical/dental package, RRSP contribution, a wellness fund after a probationary period, paid safety training, and competitive compensation.
