

Career Opportunity

Position: B.C. Land Surveyor

Location: Victoria, BC.

J.E. Anderson & Associates is a mid-size land surveying, engineering and land development consulting company. JEA provide services to both the private and public sectors from our offices in Victoria, Nanaimo, Parksville and Campbell River. For over 60 years, we have served a diverse range of clients involved in unique development projects throughout Vancouver Island.

JEA offers a comprehensive wage and benefits packages plus educational and professional development. Our project mix offers challenging opportunities to our Land Surveyors.

J.E Anderson and Associates seek an enthusiastic and energetic person who wants to be part of a team working in a dynamic environment.

Responsibilities:

- Work with surveying and engineering departments to provide management, leadership, guidance and expertise to undertake and expedite project work from concept to completion
- Manage project budgets
- Supervise office and field staff
- Quality control of survey plans and field work
- Advise clients on survey and land development matters
- Develop, grow and maintain client relationships
- Follow company safety policy

Qualifications:

- Commissioned BC Land Surveyor in good standing with the ABCLS
- Experience in conducting legal surveys and preparing plans with respect to subdivision, strata and charge plans.
- Experience in topographical and construction surveys including complex building layout computations.
- Critical thinking and strong attention to detail.
- Technical competence and strong time management skills
- Excellent computer and CAD drafting skills (Micro-Survey)
