Position: British Columbia Land Surveyor

Target Land Surveying (Surlang) Ltd.–Langley Office, has an opening for a Full Time BCLS.

The successful candidate will be responsible for the overall managing, coordination, implementation, execution, and final completion of projects, with specific consideration to all standards, legislation and regulations required as a Certified BC Land Surveyor.

The position requires excellent communication skills. You will be managing crews and dealing with clients. You will be acting as a company representative, liaising with the public and clients and expected to interact in a professional manner.

Qualifications:

- Strong team building mindset.
- Attention to detail.
- Strong business presence – excellent work ethic, flexibility, maturity, and sound judgment.
- Excellent time management skills, including the ability to manage multiple clients/projects at one time.
- 2+ years' experience surveying in the Lower Mainland preferred but not required.
- Knowledge of TDS Survey Pro data collection software and Leica total stations.
- Experience using MicroSurvey Cad program.
- Fluency in English, both written and spoken.

Responsibilities:

- Nurturing strong client relationships
- Plan, schedule and manage project timelines.
- Define project tasks for staff.
- Oversee preparation of survey plans and procedures for conducting land surveys.
- Ensure timely and accurate invoicing.
- Provide direction and support to project team.
- Oversee quality assurance and quality control of end results.
- Complete project evaluations and assessment of results.

We offer competitive wages, bonuses, company vehicle, comprehensive extended health & dental coverage, and strive for a healthy work-life balance. **Potential partnership** opportunity for the right candidate who demonstrates a strong professional and cultural mindset attitude with heart.

Target Land Surveying is a continually growing land surveying firm dealing in small to large scale projects. Typical survey work includes Topographic surveys, single family home surveys, subdivisions, building layouts, townhouses, high rise strata's and more. We are looking to add to our already great team with a new member to help lead the way and continue to foster our company and community growth.

Interested candidates should apply by email with their resume to adam@targetlandsurveying.ca
Only candidates selected for an interview will be contacted.

Thank you,
Adam Fulkerson, BCLS, President
