

**CAREER OPPORTUNITY:** Professional Land Surveyor

**STATUS:** Full Time

**LOCATION:** Kamloops

**SALARY:** \$120,000-\$140,000 Annually

Underhill Geomatics is a progressive land surveying firm with offices in Kamloops, Burnaby, Comox, Fort St. John and Whitehorse. Operating since 1913, Underhill continues to provide technologically advanced, flexible, and efficient geospatial solutions for all our clients' needs within British Columbia, Yukon, Northwest Territories and Nunavut.

Underhill Geomatics is seeking a British Columbia Land Surveyor in good standing with the ABCLS. A Canada Land Surveyor Commission in good standing will be considered an asset.

We provide Geomatics services to our clients throughout Kamloops, Merritt and the surrounding regions. We have the opportunity to work with many great clients on both large and small scales. We work with a variety of survey types including land development, strata and air space projects, topographic surveys, First Nations land surveys, engineering and infrastructure surveys, industrial, mining, precision and monitoring surveys.

#### **Duties include:**

- Project Management
- Survey Calculations
- Team coordination
- Preparing proposals and contracts
- Provide guidance and training to team
- Business Development
- Developing plans and reports
- Following and upholding Underhill Safety policies

#### **Requirements:**

- Effective communications skills, both verbal and written English
- Manage client expectations
- Valid Driver's license required
- Disciplined self starter
- A positive attitude
- Creative thinking
- BC Land Surveying Commission

### About the role and location:

We have a very experienced, educated and innovative team. We are looking for a Professional Land Surveyor to help manage projects and provide guidance to our team.

Kamloops is a family-oriented outdoor paradise with the nearby rivers and lakes for watersports, mountains for hiking and skiing, and excellent parks and recreation centers for sports. The office is a positive, supportive, and collaborative environment that leans into innovation.

### What we offer:

Underhill offers an excellent compensation and benefits package commensurate with your experience, RRSP matching program, growth and mentorship opportunities, and a culture of excellence.

Underhill prides itself on being a Professional, Passionate, Collaborative, and Innovative, so if that sounds like you, then we would very much like to speak with you. Underhill is a Land Surveying Company, that is owned and operated by Professional Surveyors.

If you would like to be considered for this opportunity, please forward your resume and cover letter in confidence to Human Resources department, to the attention of *Tim Erickson BCLS*

([employment@underhill.ca](mailto:employment@underhill.ca)) with the **Subject: Kamloops Opportunities**. We thank all applicants for their interest; however, only short-listed candidates will be contacted.
