

Position Title: Field Survey Technician
Status: Full Time Employment
Locations: Abbotsford Office, Langley Office, Maple Ridge Office

Axis Land Surveying Ltd. is a professional land surveying company with offices located in Abbotsford, Langley, and Maple Ridge. We are a growing and energetic company that promotes a stimulating, professional and safe work environment which would offer you the opportunity to collect more experiences as the company grows. Our focus is on serving our clients by exceeding their expectations. Visit our web site at www.surveyorsbc.com to learn more about us.

We are currently looking for a Field Survey Technician to join our team. The position involves, but is not limited to, conducting legal surveys, topographic surveys, strata surveys and construction layout surveys.

Qualifications:

- Diploma from a recognized Geomatics program is an asset.
- Experience in legal and construction surveying (minimum of 2 years preferred but is not required).
- Working knowledge of robotic total stations, GPS equipment and Leica data collector software is an asset.
- Excellent communication, organization and technical skills and be highly motivated.
- Valid driver's license.

Axis Land Surveying offers competitive compensation based on qualifications and experience as well as benefits including medical, dental coverage and performance based bonuses.

Interested candidates should respond by email with their resume to jsquires@axisls.com

Only selected candidates will be contacted for interviews.

Thank you for your interest in Axis Land Surveying.

John Squires, BCLS
Vice-President
Axis Land Surveying Ltd.
