

## Field Survey Technician

J E Anderson and Associate is a legal survey and civil engineering firm. Our offices are located on Vancouver Island in Victoria, Nanaimo, Parksville and Campbell River. JEA has been servicing the Island community for over 60 years. Our projects range from surveys of individual lots for home owners to some of the most complex residential and industrial/commercial development projects. JEA is currently seeking a detail-oriented Field Survey Technician with preferably over 2 years of experience to join our team This position will require primarily field work.

Candidate would perform office computations, drafting and field work; this would include:

- Land Title Act Surveys
- Strata Property Act Survey
- Land Act Surveys
- Topographic, Construction and Engineering Surveys

### Responsibilities

- Working alone or as a member of a survey field crew
- Working in urban and remote environments in a variety of weather
- Using conventional instruments, robotic total stations and GNSS equipment
- Performing field calculations, office computations
- Interpreting legal plans, field notes and construction drawings
- Liaising with project managers, contractors and members of the public
- Working safely and within defined safety protocol
- Complete survey drawings using Micro-Survey

### Requirements

- Education and/or experience in geomatics or field surveying, a diploma or degree preferred
- Strong communication skills and excellent work ethic
- Physically fit, first aid training

- Professional demeanor when interacting with clients, fellow employees and members of the public
- Valid driver's license with a clean driver's abstract

### **Assets**

- Experience with Leica conventional, robotic and Leica, Trimble GNSS instruments
- Experience with TDS and Leica field software, Leica Infinity, Micro-Survey CAD, CIVIL 3D
- Experience performing legal surveys, construction layout surveys, engineering and topographic surveys

### **Benefits**

JEA is an employee centered company that offers excellent training and mentoring. JEA offers competitive wages, a medical/dental and extended health care package and company performance bonuses.
